Awards were recognized for the following people. Those receiving awards will take part in a formal presentation at a later date, to be confirmed (possibly the FAGM).

Chris Skaife our outgoing Chair receives a county badge in honour of his two and a half years as Chair for the County.

David Wicks receives a posthumous award (Witney RFC) – RVC tie

The following are awarded RVC (Really Valued Club) ties (men) and scarves (women).

Jane and Paul Weaver – work with Banbury RFC

Craig Burrows – work at Grove RFC

Matt Mountford – work with Chinnor keeping the second team going and now as manager with Witney 1st

Rachael Barker and Kirsten Hayes for their work at Gosford All Blacks

Keith and Jean Oakes for the work done at Banbury RFC

Neil Hopper for his work bringing Oxford Harlequins forward

Kevin Robinson proposed that Nick Cole is given Honorary Life Membership. This was accepted. Proposed: Mark Gardner, Seconded: Chris White

8. County Reports

Rob Walsh (RFU Council Representative)

Rob has spoken to insurers regarding self-employed player insurance. So far insurers will only cover teams but Rob is still investigating.

International Ticket Allocation – notes that have been sent out by the

RFU are a precaution. There will be further updates to follow regarding this as the Covid 19 situation evolves.

Biggest warning to clubs is finance. The economy is going to be a problem. Clubs are encouraged to take stock of finances where they can and to look outside of the box for sponsors.

The situation changes daily at Twickenham. The Autumn Internationals are still not confirmed. Updates will come out as they are available.

Andrew Tacon (Treasurer)

Oxfordshire RFU CB has an immediate support fund of £29,000 for clubs. Four successful applications have come in so far and one more pending. Applications of up to £2,000 will be considered per club.

Youth money, County games, Volunteer funds have not been spent due to the Covid 19 but we have transferred some of the money across to the immediate support fund.

Next years money is the main concern, it's an open task and we do not know what funding will come through.

Jenny Bosley (2019/20 President)

Thanks to the clubs for their warmth and hospitality. Two years has passed very fast.

The season has been cut short because of Covid 19.

Jenny passed her congratulations to clubs for the season's achievements.

Paul / Jane Weaver (Co Chairs of Competitions and Fixtures)

Date of return to rugby means planning is complication. If Iffley Road is available the Cup and Shield could potentially be a season opener.

The festivals will be played at the clubs that were allocated them last season so that that they do not miss out.

Oxford Harlequins (Neil Hopper) queried why the Cup and Shield would go to Iffley Road and not them. It was explained that we would utilize the AGP but because we do not know when the season starts Iffley may make more sense. If the season starts late there may not be any spare dates to run it and it will clash with club games hence why Iffley Road is being considered. Details will be confirmed once more is known.

Jim Holmes – we have found the under 14s / 15 cup a great arena for the YMOs. When and if the season starts the referee's society will try and populate those games with the YMOs as much as possible. PW / JW confirmed that they would like to extend their thanks to the Referee Society for their fantastic support.

Referees Society (Jim Holmes)

This last season the referees society covered over 90% of matches which is excellent. YMOs and adult referees are being recruited.

Looking to 20/21 there will be an open and transparent pathway for referees. This will be on the referees society website. Appointments policy for the clubs will also be published on the website.

Chair of Media and Communications (Gina Overton)

Gina gave a media and communications presentation. The presentation will be shared with the minutes.

Clubs are asked to let the secretary know if they do not receive regular communications. Most communications are sent via GMS, social medias is also used widely.

9. Seasons Achievements

County Cup and Shield are not yet finished due to Covid 19. Jane and

Paul Weaver will work with Doug and Jenny Bosley to try and get these games played.

The board was advised that Tina Simpson (Henley RFC) represented and reached 350 games. It is agreed that she should be honored but at this moment the award to be given has not yet been decided. The board will discuss further at a future board meeting.

10. Priorities and Focus of the CB

Current short-term focus is on Covid 19. There are still CB grants available to support clubs. Jay Bowers is available to help if clubs need support as well as the board.

The next immediate focus of the CB is to finalise the Local Rugby Plan.

11. Clubs Questions

Mark Gardner (GAB) asked about risk assessments. A. All clubs have to do these, they are tough but essential. Suggestion was for County to provide a basic risk assessment template. The board will look in to this. Chipping Norton have done risk assessments and would be happy to share those. If any further clubs would like to share them send them to the secretary. The secretary will then circulate them to clubs. **AP. Pete Bramley to chat to Jamie Goddard to see what can be done from a risk assessment perspective. JG will contact clubs directly.**

Mark Gardner (GAB) discussed Covid 19 track and trace and mentioned that this could work within rugby clubs.

No further questions.

12. Any Other Business

Pete Bramley had a discussion with Jamie Goddard (Rugby Safe Officer for the CB) prior to the AGM. Jamie will utilize his skills and knowledge and can assist clubs as needed. JG may run a webinar but is currently setting out his plan.

Chris McCarthy – as of this season the referees have to do DBS checking of all of the referees. At the moment can the referee's society be contacted as part of safeguarding? A. Jenny Bosley (Safeguarding and Discipline committee) has noted this and is looking in to this. **AP.**
Jenny Bosley.

Mark Boland – A presentation on where we are / thoughts for the reboot would be useful. The board will look in to this. This could be done on Zoom. **AP. Pete Bramley / Full board at next board meeting.**

Mark Boland – there are issues with travellers in some areas. RW advised that Clubs are warned to look out for them and ensure gates are locked. Mark Boland / Patrick Sweeney advised that through experience it is very difficult to get them removed.

Keith Upton has confidence in Pete Bramley but asked how Pete Bramley will handle his President / Chair role and his referee positions. Pete confirmed that there is no conflict of interest and that he does have a capacity to carry out the roles. The board has discussed this at length. The referee role means that he will visit many clubs anyway and afterwards he can act in President capacity with additional visits to the clubs on Saturdays and Sundays (once games resume). Pete also acknowledged that the board is very supportive and work well alongside each other.

Pete Bramley thanked everyone for attending the meeting. He noted that there would be a Chairman's meeting every month going forward. Details will be cascaded in due course. Clubs were reminded they could contact members of the board as needed between meetings.

Pete Bramley (Chair) closed the meeting at 20:35
