

A message from your President

After last weeks thrilling (and close) win for the county men we now host Buckinghamshire in what promises to be another compelling match. It has been fantastic to see our county representative sides finally play after the restrictions of the last two years. Today the men have their second match and tomorrow our women open their campaign at Bicester with a match against Staffordshire.

This is a special day in the county for a second reason. Before the match we have a recognition lunch to celebrate the efforts of some of our hard-working volunteers from the past two seasons. Whilst we can't reward everyone (that would be nice!) these are some of the people who have gone "above and beyond" in support of grassroots rugby. I just want to publicly express, on behalf of the county, our immense thanks for everything you do. Without volunteers, our sport would not be as accessible and welcoming to the wider community of Oxfordshire as it is. You are amazing!

Peter Bramley

**President
Oxfordshire Rugby Football Union Ltd**

Oxfordshire RFU Ltd would like to express our thanks to Henley Hawks RFC and their Management Committee for their help and the use of their ground and facilities for today's Bill Beaumont County Championship game against Buckinghamshire.
